First Name:

Middle Initial:

Mailing Address:

Street Address:

City:

State:

Telephone:

E-mail:

Place of Birth:

City:

State/Province:

Country:

US Citizen: Y N

Permanent Resident: Y N

Note: applicant must be U.S. Citizens or Permanent Resident to qualify for the program

B. Applicant Curriculum Vita

With this application form, please submit a current CV describing:

- Education: please list in reverse chronological order all colleges or universities attended and degrees or certifications earned
- Employment History: please list in reverse chronological order all jobs held and dates of employment
- Research Projects: please list all research projects in which you have participated during your undergraduate and graduate education. Indicate where work was performed and during what time period
- Publications, Abstracts, Seminars presented
- Academic Honors, Fellowships, Scholarships and Awards
- Membership in Scientific or Professional Societies

C. Biosafety Career Statement

Provide a written statement about why you are considering a career in biosafety and what about your research or academic experience or education makes you a good candidate for this profession. Please attach additional pages to this application as needed.

D. Reference Information:

Applications will be screened based upon an initial review of applicant CVs and Biosafety Career Statements. Applicants receiving a favorable review during this initial round of reviews will be requested to have three professional references provided on behalf of their Scholarship candidacy. A reference form template will be forwarded to you at that time.

E. Supplemental Material

List any supplemental materials you are sending in support of this application other than your CV:

Please send application materials to the GLRCE at the address below:
Great Lakes Regional Center of Excellence for
Biodefense and Emerging Infectious Diseases Research
The University of Chicago
920 E. 58th Street, Suite 1117
Chicago, IL 60637

If you have any questions about the application process, please contact Catherine Will, CRA, Grants and Contracts Specialist at 773.834.9174 or email at cwill@bsd.uchicago.edu.

Questions about the GRCE Biosafety Scholarship Research Program should be directed to Dr. Joseph Kanabrocki, GLRCE Biosafety Program Director at 773.834.7496 or email at kanabrocki@uchicago.edu

Thank you for your interest in the program!
